

The Best Game

Damian Escobedo cant believe his eyes. Not only is his childhood next-door neighbor all grown up, shes blossomed from an ugly duckling into the most exquisite woman hes ever seen. Until now, hes resisted settling down, but one look at Liana De Leon has him head over heels. Theres only one problem, as far as he can tell the feeling isnt exactly mutual. After a decade as a top Manhattan model, Liana has returned to San Antonio seeking what she once wanted to escape: a quiet life, a simple home, a career with meaning, and marriage to a regular guy. A guy who will love her not because of how she looks, but because of who she is inside. The last thing she needs is San Antonios most eligible bachelor, Damian, swooning at her feet. So why is he the first man to make her believe that dreams really can come true?
