

## White Lightening - Two Book Bundle (BWWM Interracial Erotic Romance)

Black Surge Publishing presents a selection of its best selling erotica authors. This bundle contains two stories by Tia Wilson.

**Black Versus White:** A war has raged between the shapeshifting white bears of the north and the black bears of the south for a millennia. An ancient prophecy foretells of a dark skinned woman who possesses the spirit of both white and black bears and who can bring an end to the war. Grace Taylor is a woman who leads a dull life run by rules and familiar patterns. When a mysterious man approaches her with a simple request her carefully constructed reality is about to be shattered. He is a shapeshifting werebear looking for his true mate and he just might of discovered the woman who holds the key to his clans survival. **Bear Back Rider:** Grace Taylor and Tom a shape shifting werebear from the white bear clan are on the run. When they are attacked and Tom is seriously injured they escape to a remote cabin deep in the woods. Things get hot and heavy as Toms strength returns. All books also available separately.
