

## The Age of the Caterpillar: Collected Poems 1992-2012

M.J. Burgess first book of poetry offers a new, compelling, and unique voice to Contemporary American poetry. Not only is it an anthology of poems written in the last twenty years, it shows the journey of a caterpillars struggle to become a butterfly. This book encourages the reader to ask him or herself, Are you a caterpillar? <http://burgessbooks.byethost7.com>
