[*WARNING! This book contains graphic material that is not suitable for anyone under the age of eighteen.] [Read by Ava Erickson and Patrick Leigh] As the Club Destiny series heats up, New York Times bestselling author Nicole Edwards delivers a steamy, erotic tale of lust and seduction. Ashleigh Thomas might have made the biggest mistake of her life. Uprooting life as she knew it, moving back to Dallas to be closer to her family, she finds herself much closer to the one man who she had never been able to say no to. Attempting to hide the fact that she moonlights as an erotic romance author, she quickly finds herself in his arms and his bed, hoping hell fulfill some of those deep, dark desires she has always written about but never experienced for herself. Alex McDermott has spent the better part of a decade trying to convince himself to stay away from the alluring Ashleigh, but when she moves back home, he finds hes no longer willing to resist the overwhelming desire she inspires in him. But hes got a secret too - one that might just push Ashleigh out of his life for good. And thats something hes not willing to let happen. It doesnt take long for the heat between them to ignite into a wildfire of lust, but can they stop hiding from each other and, more importantly, stop holding back?
