

## My Passage to Womanhood - Volume Seven

Volume-Seven of Clare Pennes massively popular saga continues the adventures of her hero-cum-heroine with the wealthy and loving, if dominant and sexually perverse, Vermont family to whom he/she has submitted in a form of 21st century indenture. Back from the rigorous sexual and domestic training of the Doha harem intended to make him/her a model domestic and sexual servant to the gorgeous and demanding Saffi, Clare finds the attentions of the Murchison brood no less thrilling, exacting and exciting. Excitement at returning to the fold of his/her extended American family undiminished by interaction with Fallons own lesser half: the stunning and equally submissive Chrissie. But life with Saffi, Clare knows from experience, is never likely to remain the same for great stretches of time and its not long before his loving and dominant partner is setting her sights on yet another sexual adventure. A sexual adventure that will involve the enslavement of a masculine man and his wife. An enslavement that, unlike the servitude of Clare, will be in no way willing.
