

## The Poetry of Our Lives, A Cultural Evolution

This book is for the ladies who want to vicariously experience how a man deeply and profoundly loves a woman. In his expressions she is honored, respected, and oh yes, painted with intellect and passion. You are transported through the inner portals of the authors mind as he views the essence of a woman and her intense and powerful spirit and soul. Then hear him give a voice to what he sees and experiences in contemplation of her beauty. He does this in such a way that you will have to catch yourself as you fall under his captivating and irresistible aura and sensations of love. Love will revolt again everything mundane and pull you into the sweltering and fiery thralls of passion.
