

An Anthology of Short Stories

An Eclectic Anthology of Short Stories

To make you laugh,
cringe, cry and smile

Robert DeMers

These stories were created to inspire thought and arouse your emotions. You are offered a thought provoking religious perspective, romance with substance, real life drama, on the fringe crime stories, and hilarious offbeat comedy. While they are all fictitious, they grew out of the authors life. Some as a concept arising from an experience, and others are experiences intertwined with a writers creative license.
