

Try to Seduce Him

The birth of a cuckquean is not something one plans. It isn't something with which a woman is born. It isn't a conscious decision made by any sane woman. It is an accident of fate that envelops the woman in an enriching life that heightens sexuality beyond anything she's ever known. The exquisite pain of the cuckquean's birth is the cherished center of her sexual being. ~ ~ ~ Shelly fears her husband, meeting dozens of women every night, might find someone better than her - after all, that was how they met. Taylor is a club promoter and devoted to his wife. But Shelly's fears spiral out of control and she enlists the aid of her friend, Cat, in sniffing out signs of infidelity. Hitting dead ends, Shelly presses her friend to test him. The pain that follows is sweeter than that of any spanking delivered by a spoiled billionaire.
