

Madrugada numero 5 / Early Morning #5

Early Morning #5 by Silvia Siller This bilingual poetry collection is a relentless search. It portrays the perseverance of a woman who seeks to stay in her early morning sacred space for as long as possible. She elevates her morning prayers through her writing. Her poems unveil the intimacies of a woman of the world who vents her feelings about constantly feeling labeled, revealing her nostalgic mood, the passing of time, the weariness of life, love, and fantasy. By way of her mysticism, she frees herself through her poetic aura but also through her daily life as a spouse, in the kitchen, with a fruit or through the impertinence of a mammogram. She evokes her world of lacking and abundance, fantasy and reality, taking on her chronic romanticism but with the bravery of saying that which society forbids. This poetry collection comes from a woman who has tired of explaining and decided to simply evoke the perfume of her time to anyone who might like to listen.

Descripcion en espanol: Este poemario es una busqueda; la perseverancia de una mujer de permanecer lo mas posible en su espacio sagrado de la madrugada. Ella realiza su plegaria matutina a traves de la escritura. Sus poemas revelan el recinto de la mujer cosmopolita que se desahoga por sentirse etiquetada. Revela su nostalgia, el paso del tiempo, el hastio de la vida, el amor, la fantasia. Libera con su aura poetica su misticismo pero tambien en su cotidianidad como esposa, en la cocina, en una fruta o en el tedio de una mamografia. Evoca su mundo de carencias y abundancias, de fantasias y realidades. Se asume una romantica cronica pero con valor de decir las cosas que la sociedad veta. Es el poemario de una mujer cansada de explicar que ha decidido centrarse solo en evocar el perfume de su tiempo para quienes quieran entenderlo. Madrugada A fuerza pura de su lenguaje complejo, Silvia Siller forcejea con imagenes del

mundo natural y las transforma en metaforas vivas que saltan de la pagina con un vigor y una riqueza que estremecen al lector. Richard Blanco
