

## Shared by the Survivors (Extreme Future Sex & Survival Book 1)

Just think, she might be the last girl left alive on this whole damn planet, said Chet. So we've got a chance to start over again with her in the right place as our sweet sexy little slave. Sheltering with survivors of a nuclear apocalypse, Anya finds herself drawn into a darkly enticing web of group sex, bondage and submission. When she becomes the only woman among three young men, her body is shared and a new world of dark pleasure is revealed. But when desire turns to violent obsession, Anya must use her instincts and training if she is to stand any chance of survival in the brutal shattered world of tomorrow. Warning: This book contains detailed descriptions of sex, including bondage and group sex, as well as scenes of violence and drug use. Shared by the Survivors is the first book in the series Extreme Future Sex & Survival by Jessica Delgado, author of Evil Sex & Savage Bondage: The Complete Extreme Hussy Adventures Box Set and Buxom & Brutal: The Complete Medieval Without Mercy Box Set.
