

THE FIVE BOOKS of KRINSKY: a novel with commentary

Dan Krinsky is at a crossroads. The forty-something classics lecturer is between marriages and trying to find himself in Latin poetry, bourbon, Greek-style coffee shops and a weekly Jewish minyan. Along the way he learns valuable life lessons. Who wrote the lyrics for the theme from Exodus? Who were the Philistines? How many games did legendary southpaw Warren Spahn win in his career? The novel asks the question what if the Bible were written about an everyday American Jew? And not by God?
