

Underwear Boy vs The No-Name Monster: (Warparty #3) (The Underwear Boy Warparties)

A Native American childrens story written specifically to be read by a parent outloud in the traditional way of Native American oral storytelling (sound effects included), which follows a 10 year-old Native American boy, who is a self-proclaimed super-hero known as Underwear Boy. A great bedtime story. Story #3 from the book series, The Underwear By Warparties.
